2. **See additional data and details** by hovering over any data point in any section.

Additional details vary by section.

How are my PTAs performing regarding time and budget?

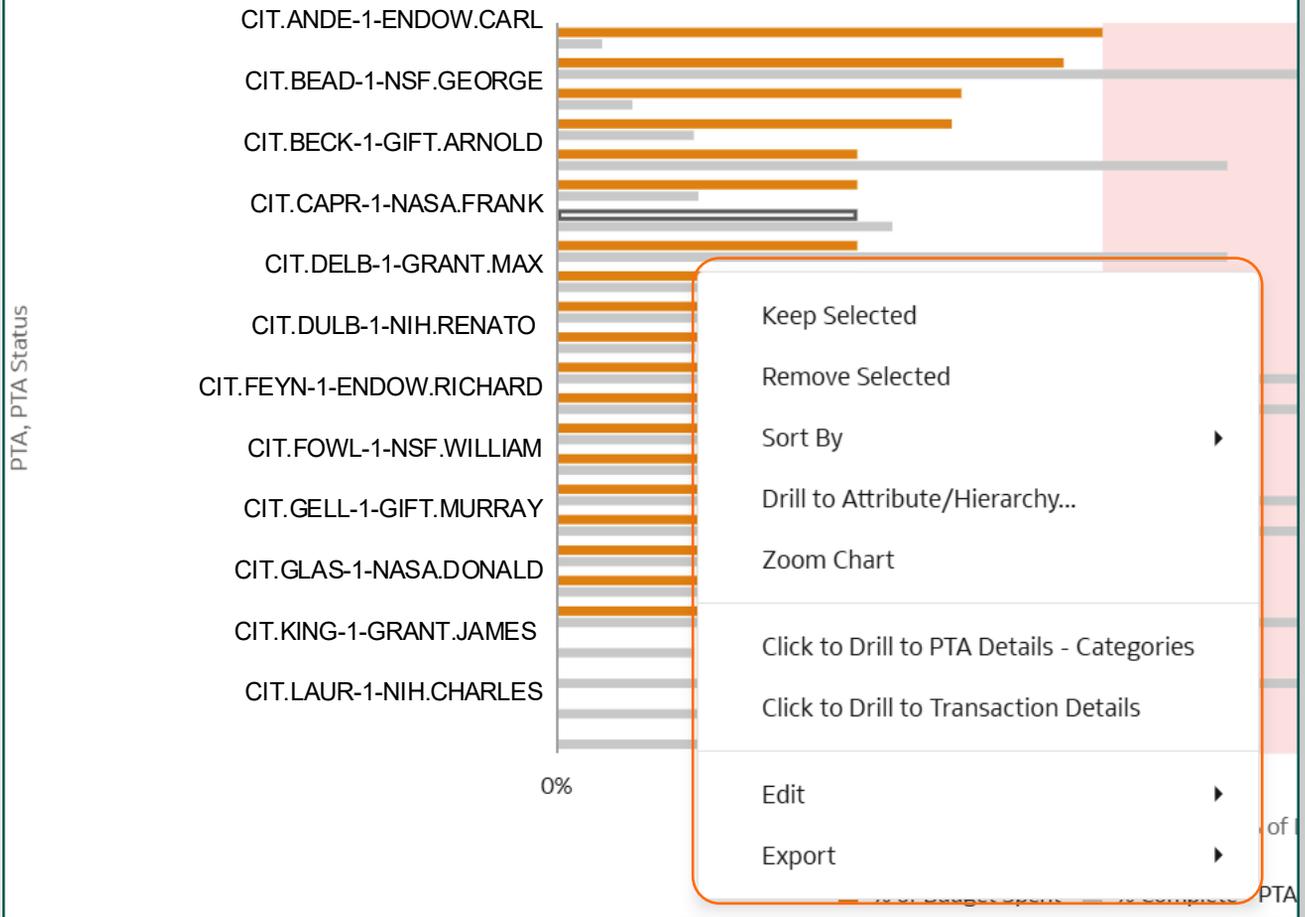

Who are my Top Direct Sponsors?

3. Right click on a data point to view the **Tool Tips menu** with actions you can take. For example:

- **Sort by** various values to customize your view
- **Click Drill to...** to navigate to other dashboards
- **Export** the data to a PDF, PPT, Image or CSV

How are my PTAs performing regarding time and budget?

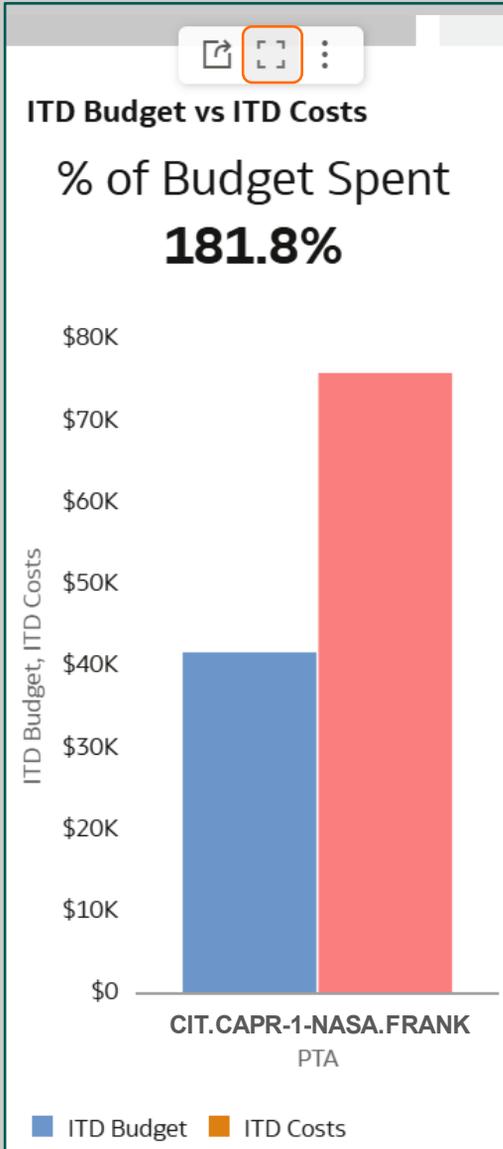

4. Use the **Back to...** buttons to navigate easily between dashboards.

PI Dashboard Navigation Tips

An outline of features and tools available across the PI Dashboards.

5. To **expand** any section into full-screen view, hover over the top and select the expand icon. From the same menu bar, you can **export** (📄) or **see more options** (⋮).

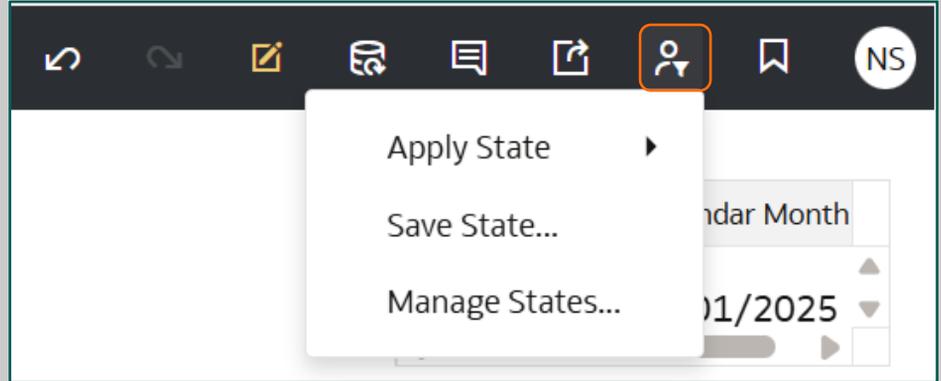

6. In addition to **exporting data** from each graph, you can also export the entire dashboard's data from the export icon on the toolbar in the top right.

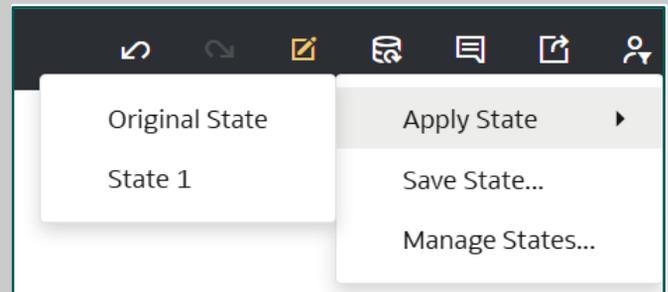

7. **States** can be saved for your dashboards to preserve filters and simplify filter applications with each login.

Open the **State Menu** from the person icon in the toolbar. You can save multiple states for each dashboard.

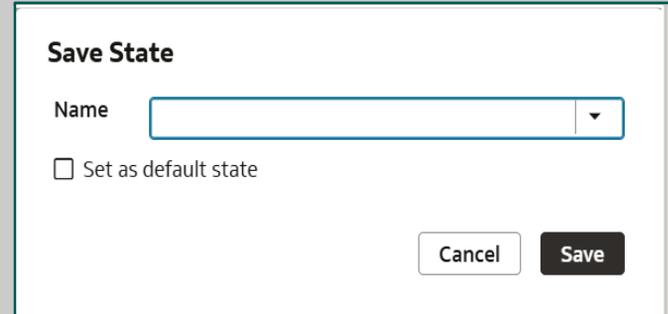

Apply State to select the state you'd like to view.

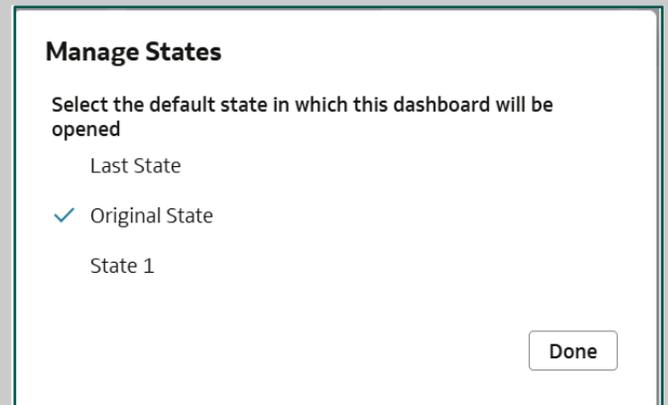

Save State to save current filters into a new state.

Apply a unique name and click **Save**. Your new state will now be available under the Apply State dropdown.

Manage States to select the default state. Your dashboard will open with the default state you select.

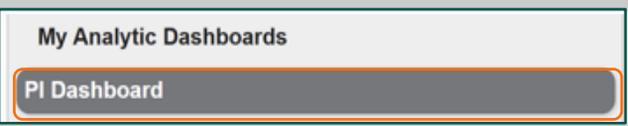

Click **Done** to save your selection.

PTA Portfolio PI Dashboard

A summary of the sections and graphs available in the dashboard.

1. From the Data Warehouse homepage under **My Analytic Dashboards**, select **PI Dashboard**.

2. **PTA Portfolio Dashboard** is a landing page to view relevant PTA information.

Transaction Details PI Dashboard

A summary of the information available in the dashboard.

- From any graph on the **PTA Portfolio Dashboard**, hover over a PTA to see the pop-up menu. **Click to Drill to Transaction Details**.

The screenshot shows the Caltech PTA Portfolio Dashboard. At the top, it displays summary statistics: 21 # of PTAs, 5 # of PTAs over Budget, 8 # of PTAs Past End Date, ITD Budget of \$4,226,481, ITD Costs of \$2,599,343, ITD Commitments of \$43,786, and ITD Balance of \$1,583,352. Below this is a bar chart titled "How are my PTAs performing regarding time and budget?". A context menu is open over one of the bars, with the option "Click to Drill to Transaction Details" highlighted in orange.

- The **Transaction Details Dashboard** includes details at the transaction level for a given PTA.

The screenshot shows the Transaction Details Dashboard. It includes filters for PTA (HUBWAVELET-1-AFOSR.502210109), Expenditure Category (All), Period Start Date (Full Range), and Personnel (All). The main table lists transaction details with columns for Provider, Supplier, Personnel, IC?, Expenditure Type, Exp Comment, Exp Item Date, and Cost.

Provider	Supplier	Personnel	IC?	Expenditure Type	Exp Comment	Exp Item Date	Cost
IC - ATHENAEUM	IC - ATHENAEUM		Y	Food	ATH CHGS September 2023	09/30/2023	\$21.00
